

# Reading SCIENCE AND HEALTH In A Year

You are invited to join us in reading ***Science and Health with Key to the Scriptures*** by Mary Baker Eddy over the next year. We'll read individually, and from time to time gather to share our reading experiences and insights.

The schedule supports about fifty pages a month plus pages from *Fruitage*, a chapter of testimonies by people healed through study of the book.

We hope you'll join us in the adventure of reading this great book!

With love, The Members of Seventeenth Church of Christ, Scientist – Chicago, IL
