## Holy Bible

### ***Ex. 15:18***

The Lord shall reign for ever and ever.

### ***1 Kings 3:5-14 1st In***

In Gibeon the Lord appeared to Solomon in a dream by night: and God said, Ask what I shall give thee.

And Solomon said, Thou hast shewed unto thy servant David my father great mercy, according as he walked before thee in truth, and in righteousness, and in uprightness of heart with thee; and thou hast kept for him this great kindness, that thou hast given him a son to sit on his throne, as it is this day.

And now, O Lord my God, thou hast made thy servant king instead of David my father: and I am but a little child: I know not how to go out or come in.

And thy servant is in the midst of thy people which thou hast chosen, a great people, that cannot be numbered nor counted for multitude.

Give therefore thy servant an understanding heart to judge thy people, that I may discern between good and bad: for who is able to judge this thy so great a people?

And the speech pleased the Lord, that Solomon had asked this thing.

And God said unto him, Because thou hast asked this thing, and hast not asked for thyself long life; neither hast asked riches for thyself, nor hast asked the life of thine enemies; but hast asked for thyself understanding to discern judgment;

Behold, I have done according to thy words: lo, I have given thee a wise and an understanding heart; so that there was none like thee before thee, neither after thee shall any arise like unto thee.

And I have also given thee that which thou hast not asked, both riches, and honour: so that there shall not be any among the kings like unto thee all thy days.

And if thou wilt walk in my ways, to keep my statutes and my commandments, as thy father David did walk, then I will lengthen thy days.

### ***Isa 9:6-7***

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this.

**Luke 4:33 - 36 in**

in the synagogue there was a man, which had a spirit of an unclean devil, and cried out with a loud voice,

Saying, Let us alone; what have we to do with thee, thou Jesus of Nazareth? art thou come to destroy us? I know thee who thou art; the Holy One of God.

And Jesus rebuked him, saying, Hold thy peace, and come out of him. And when the devil had thrown him in the midst, he came out of him, and hurt him not.

And they were all amazed, and spake among themselves, saying, What a word is this! for with authority and power he commandeth the unclean spirits, and they come out.

**Rev. 19:6**

And I heard as it were the voice of a great multitude, and as the voice of many waters, and as the voice of mighty thunderings, saying, Alleluia: for the Lord God omnipotent reigneth.

## **Science and Health with Key to the Scriptures by Mary Baker Eddy**

**507:24**

Infinite Mind creates and governs all, from the mental molecule to infinity. This divine Principle of all expresses Science and art throughout His creation, and the immortality of man and the universe. Creation is ever appearing, and must ever continue to appear from the nature of its inexhaustible source. Mortal sense inverts this appearing and calls ideas material. Thus misinterpreted, the divine idea seems to fall to the level of a human or material belief, called mortal man. But the seed is in itself, only as the divine Mind is All and reproduces all — as Mind is the multiplier, and Mind's infinite idea, man and the universe, is the product. The only intelligence or substance of a thought, a seed, or a flower is God, the creator of it. Mind is the Soul of all. Mind is Life, Truth, and Love which governs all.

**vii:13**

The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity. Contentment with the past and the cold conventionality of materialism are crumbling away. Ignorance of God is no longer the stepping-stone to faith. The only guarantee of obedience is a right apprehension of Him whom to know aright is Life eternal. Though empires fall, "the Lord shall reign forever."

**445:15**

You render the divine law of healing obscure and void, when you weigh the human in the scale with the divine, or limit in any direction of thought the omnipresence and omnipotence of God.

**511:23**

To mortal mind, the universe is liquid, solid, and aëriform. Spiritually interpreted, rocks and mountains stand for solid and grand ideas. Animals and mortals metaphorically present the gradation of mortal thought, rising in the scale of intelligence, taking form in masculine, feminine, or neuter gender. The fowls, which fly above the earth in the open firmament of heaven, correspond to aspirations soaring beyond and above corporeality to the understanding of the incorporeal and divine Principle, Love.

**318:28-12**

The governor is not subjected to the governed. In Science man is governed by God, divine Principle, as numbers are controlled and proved by His laws. Intelligence does not originate in numbers, but is manifested through them. The body does not include soul, but manifests mortality, a false sense of soul. The delusion that there is life in matter has no kinship with the Life supernal.

Science depicts disease as error, as matter versus Mind, and error reversed as subserving the facts of health. To calculate one's life-prospects from a material basis, would infringe upon spiritual law and misguide human hope. Having faith in the divine Principle of health and spiritually understanding God, sustains man under all circumstances; whereas the lower appeal to the general faith in material means (commonly called nature) must yield to the all-might of infinite Spirit.

**78:21-32**

Spirit is not materially tangible. How then can it communicate with man through electric, material effects? How can the majesty and omnipotence of Spirit be lost? God is not in the medley where matter cares for matter, where spiritism makes many gods, and hypnotism and electricity are claimed to be the agents of God's government.

Spirit blesses man, but man cannot "tell whence it cometh." By it the sick are healed, the sorrowing are comforted, and the sinning are reformed. These are the effects of one universal God, the invisible good dwelling in eternal Science.

**93:21**

The belief that Spirit is finite as well as infinite has darkened all history. In Christian Science, Spirit, as a proper noun, is the name of the Supreme Being. It means quantity and quality, and applies exclusively to God. The modifying derivatives of the word spirit refer only to quality, not to God. Man is spiritual. He is not God, Spirit. If man were Spirit, then men would be spirits, gods. Finite spirit would be mortal, and this is the error embodied in the belief that the infinite can be contained in the finite. This belief tends to becloud our apprehension of the kingdom of heaven and of the reign of harmony in the Science of being.

**208:20**

Let us learn of the real and eternal, and prepare for the reign of Spirit, the kingdom of heaven, — the reign and rule of universal harmony, which cannot be lost nor remain forever unseen.

**55:15-21**

Truth's immortal idea is sweeping down the centuries, gathering beneath its wings the sick and sinning. My weary hope tries to realize that happy day, when man shall recognize the Science of Christ and love his neighbor as himself, — when he shall realize God's omnipotence and the healing power of the divine Love in what it has done and is doing for mankind.

**532:3 God**

God makes and governs all.
